(postage not included)

This soft cover edition traces the history of the Huon area from early contact with the Aborigines to the late 1850's, covering the natural, social and political climates that helped shape the character of the Huon Valley and far south of Tasmania.

From early exploration to the establishment and development of settlement and industry, authors **Richie Woolley** and **Wayne Smith** present an insightful glimpse of the hardships and joys faced by Tasmania's early settlers.

Drawing on official records and a wealth of other sources, this meticulously researched book presents a comprehensive review of the history of the area **for the first time**. Complete with illustrations and maps, this is a very readable volume and a must for every bookshelf.
