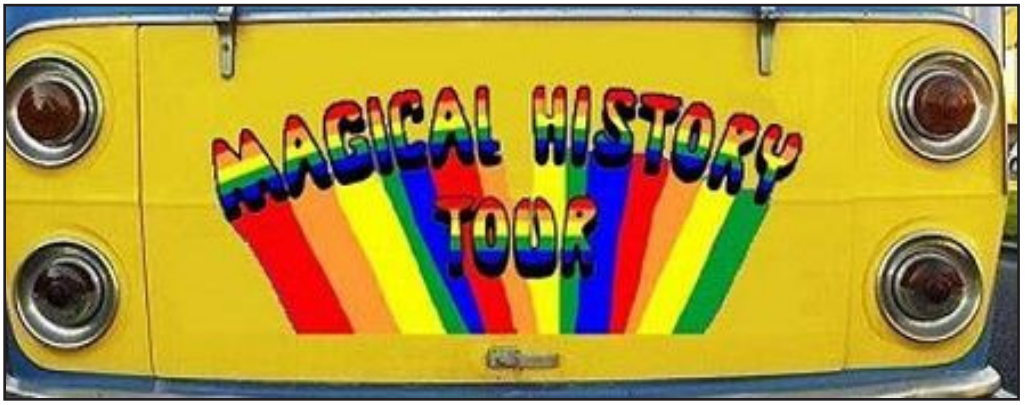
Get out and about this October



You can book for any of these events on Ph: 6264 0300

Huon Valley Council couldn't pack all of their activities into one week for local seniors, so we decided to use the whole month.

The Magical History Tour kicks off on Wednesday Ocotber 7 at the Ida Bay Railway. On Monday October 12 the 'tour' is at the Dover Museum and Gallery (book by October 8).

Then you get a short breather before Wednesday October 21 when the tour visits the Jane Franklin Memorial Museum and Frank's Cider Bar & Cafe (book by October 15).

The last trip for the month will be on Wednesday October 28 to the Cygnet Living History Museum and you'll need to book by October 23.

The 'tour' wraps up with the very popular Cuppa Conversations held in the council chambers on Thursday October 29. Come along and explore the Tasmanian Archives with Anthony Black.

The program is funded in Tasmania by Primary Health Tasmania under the Primary Health Networks Program - an Australian Government Initiative.

New Councillor

Following the resignation of Rosalie Woodruff on September 10, a recount was carried out to fill a vacancy on the Huon Valley Council.

There were six candidates nominated to contest the recount, which included Andrew Burgess, Michael Higgins, James Lange, Ian Mackintosh, Gina Poulton and Amy Robertson.

Ian Mackintosh, member of the Greens, has been elected as councillor to serve until the 2018 ordinary election.

Congratulations to Councillor elect Mackintosh and thanks to Rosalie Woodruff for her work representing Huon Valley residents.

Interim planning scheme info sessions

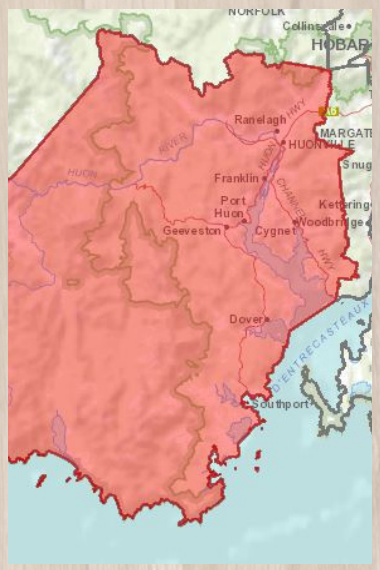
The last of the public information 'drop in' sessions about the new Huon Valley Interim Planning Scheme will be happening in October.

Residents are invited to come along and find out how changes to the new planning scheme may affect them. The new scheme means people with planning applications in the Valley will now only deal with one scheme, rather than the three previous schemes. The public exhibition period closes Monday October 26.

Drop In Info Sessions

Geeveston - Tuesday 6 October, 2-4pm
Geeveston Heritage Centre 'conference room'

Franklin - Tuesday 13 October, 1-3pm
Palais Theatre 'Supper room'.



BARGAIN HUNTERS BEWARE

It's going to be awfully tempting...on Saturday October 24, Huon Valley Council is taking part in the national **GARAGE SALE TRAIL.**

The Southbridge Re-Use Shop is participating, which means you can hunt for treasures or that special something you've had your eye on. There'll be a free BBQ so you can grab a bite before or after your browsing.

Garage Sale Trail aims to promote reuse of items, the reduction of waste to landfill, create awareness about illegal dumping, unite communities and stimulate local economies.

DOVER BEACH WINS KEEP AUSTRALIA BEAUTIFUL 2015 TASMANIAN 'CLEAN BEACHES' AWARD

Dover Beach has been awarded overall winner in the 2015 Keep Australia Beautiful, Tasmania, Clean Beaches awards. Dover Beach will also be representing Tasmania in the same category in the National competition.

Keep Australia Beautiful Tasmania Executive Officer Geoff Marsh said local residents had driven the rehabilitation of parklands behind Dover Beach, while the Huon Valley Council had supported the community's efforts with new playground equipment and rehabilitation of the Dover foreshore.

Thanks to Geoff Marsh and the Tassie Keep Australia Beautiful team, Lisa Plohl from Huon Valley Council, the Huon Valley Council Infrastructure workers who worked on the foreshore and all the volunteers who gave up their time to make Dover Beach a place to remember. Well done!
