Fixed - not risk ranked	0
Fixed - high risk	1
Fixed - medium risk	77
Fixed - low risk	58
Temporary (2014-2015)	80
Mobile	10
Other	6

Tasmanian Local Government Environmental Health Annual Report 2014-2015

Q6: How many scheduled, food business inspections were conducted in 2014-2015 (by business type)?

Notified	0
Registered - Fixed - not risk ranked or rank unknown	0
Registered - Fixed - high risk	1
Registered - Fixed - medium risk	78
Registered - Fixed - low risk	12
Registered - Temporary	73
Registered - Mobile	10
Registered - Other	0

Q7: How many follow-up, food business inspections were conducted in 2014-2015 (by business type)?

Notified	0
Registered - Fixed - not risk ranked or rank unknown	0
Registered - Fixed - high risk	1
Registered - Fixed - medium risk	3
Registered - Fixed - low risk	2
Registered - Temporary	0
Registered - Mobile	0
Registered - Other	0

PAGE 3: FOOD SAFETY - Enforcement actions

Q8: How many of the following enforcement actions were issued or initiated in 2014-2015?

Warning letters	3
Improvement notices	0
Infringement notices	1
Prohibition orders	0
Prosecutions initiated	0
Seizures	0

Q9: If one or more prohibition orders or prosecutions were issued or initiated (see Q8), list the offences for each

Respondent skipped this question

Q10: How many food business registrations were ...

Refused?	0
Cancelled or suspended?	0

Q11: If one or more registrations were refused, cancelled or suspended (see Q10), list the reason(s) for each one

Respondent skipped this question

PAGE 4: FOOD SAFETY - Non-compliances and complaints

Tasmanian Local Government Environmental Health Annual Report 2014-2015

Q12: Rank the following areas of non-compliance in order from most common (1) to least common (7) (by business type)

	Fixed	Temporary	Mobile
Maintenance of premises/equipment	2	2	2
Cleaning and sanitation	2	3	2
Temperature control	3	2	3
Protecting food from contamination	5	2	3
Staff skills and knowledge	6	6	5
Personal hygiene and staff illness	5	5	5
Labelling	5	7 (least common)	7 (least common)

Q13: How many complaints were received in 2014-2015 (by main allegation)?

Unhygienic practices and/or premises	3
Foodborne illness	1
Physical contamination	0
Chemical contamination	0
Packaging fault	0
Labelling (other than allergen)	0
Allergen	0
Other	0

Q14: How many complaints were investigated? 4

PAGE 5: FOOD SAFETY - Food Safety Programs and Value-added Activities

Q15: How many food businesses were required to comply with Standard 3.3.1? (Do not include child care centres) 2

Q16: For the food businesses at Q15, how many had an outstanding third-party audit report as at 30 June 2015? 2

Q17: Identify the information and training sessions provided by Council. (Select all that apply)

Scheduled food safety information sessions for schools
,

Scheduled food handler training (face-to-face), Online food handler training

Q18: For councils that did not contribute samples or survey responses to the 2014-2015 Tasmanian Food Safety Surveillance Program, give your reason(s) for not participating. *Respondent skipped this question*

PAGE 6: PUBLIC SWIMMING POOLS AND PUBLIC SPAS

Q19: How many public swimming pools are located within your municipality?	3
Q20: How many premises/businesses within your municipality have one or more public spas?	0
Q21: How many public spas in total are situated within those premises/businesses?	0
Q22: How often are the swimming pools tested for the following parameters?	
Microbiological	Monthly
Chemical	Weekly
If other, please specify:	Huonville pool only sampled during summer months on monthly basis
Q23: How often are the public spas tested for the following parameters?	
Microbiological	Other
Chemical	Other
If other, please specify:	No public spas
Q24: How often did you or your Council carry out testing for microbiological parameters that was independent of the testing done by the owner/operator of the swimming pools or public spas?	
Swimming pools	Never
Public spas	Never
If other, please specify:	NB: No public spas
Q25: Do you receive notification directly from the pool owner/operator of any test failures?	Yes
Q26: Does each swimming pool owner/operator keep a logbook which records water quality information?	Yes
Q27: Does each public spa owner/operator keep a logbook which records water quality information?	Not applicable - no public spas
Q28: How often did you inspect these swimming pool and public spa records?	
Swimming Pools	Monthly
Public spas	Other
If other, please specify:	NB: No public spas
Q29: With respect to the Public Pool Bather Warning Notice, how many swimming pools had non-compliant signs (incl no sign at all) displayed?	0

Q30: How many cooling towers and warm water systems were registered with Council as at 30 June 2015?

Cooling towers	0
Warm water systems	0

Q31: How many non-compliant systems were identified during 2014-2015 (by system and non-compliance type)?

Cooling tower - failure to register	0
Cooling tower - failure to conduct HPC and/or Legionella testing	0
Cooling tower - failure to register AND failure to conduct HPC and/or Legionella testing	0
Warm water system - failure to register	0
Warm water system - failure to conduct HPC and/or Legionella testing	0
Warm water system - failure to register AND failure to conduct HPC and/or Legionella testing	0

PAGE 8: PUBLIC HEALTH RISK ACTIVITIES

Q32: How many public health risk activities were licensed by Council as at 30 June 2015 (by activity)?

Tattooists	1
Body piercing & implants	0
Ear piercing	0
Combined	0
Other	0

Q33: How many scheduled inspections were conducted of licensed public health risk activities in 2014-2015 (by activity)?

Tattooists	1
Body piercing & implants	0
Ear piercing	0
Combined	0
Other	0

Tasmanian Local Government Environmental Health Annual Report 2014-2015

Q34: How many licensed public health risk activities were non-compliant in 2014-2015 (by activity and noncompliance type)

Tattooists - failure to license	0
Tattooists - failure to comply with infection control procedures	0
Tattooists - failure to license AND failure to comply with infection control procedures	0
Body piercing & implants - failure to license	0
Body piercing & implants - failure to comply with infection control procedures	0
Body piercing & implants - failure to license AND failure to comply with infection control procedures	0
Ear piercing - failure to license	0
Ear piercing - failure to comply with infection control procedures	0
Ear piercing - failure to license AND failure to comply with infection control procedures	0
Combined - failure to license	0
Combined - failure to comply with infection control procedures	0
Combined - failure to license AND failure to comply with infection control procedures	0
Other - failure to license	0
Other - failure to comply with infection control procedures	0
Other - failure to license AND failure to comply with infection control procedures	0

Q35: How were practitioners assessed for competency? Verbal questioning/discussion,
(Select all that apply) Written questionnaire, Inspection

PAGE 9: PLACE OF ASSEMBLY

Q36: How many place of assembly venues were licensed by Council (by type)?

Permanent place of assembly (as at 30 June 2015)	34
Specific event place of assembly (for all of 2014-2015)	21

Q37: How many scheduled inspections were conducted of licensed venues in 2014-2015 (by type)?

Permanent place of assembly	0
Specific event place of assembly	4

PAGE 10: UNHEALTHY PREMISES

Q38: Identify the 3 most common non-compliances observed in unhealthy premises.

1st most common	Mould/dampness
2nd most common	Rubbish accumulation
3rd most common	Vermin

Q39: How many orders and notices were issued by Council for unhealthy premises in 2014-2015?

Interim closure orders	0
Closure orders	0
Rectification notices	0

PAGE 11: ENVIRONMENTAL MANAGEMENT & POLLUTION CONTROL ACT

Q40: How many investigations were conducted in 2014-2015 (by ERA type)?

Noise	38
Fumes/odours	9
Light	2
Outdoor smoke	4
Domestic indoor smoke	13
Solid waste	4
Other	4

Q41: How many investigations identified one or more non-compliances (by ERA type)?

Noise	30
Fumes/odours	9
Light	0
Outdoor smoke	3
Domestic indoor smoke	10
Solid waste	4
Other	4
