NOTES: Please check with Council for the current fees. A fee for Non standard connections will be set dependant on the nature of works required.

SECTION 1 – PROPERTY DETAILS

1. Connection Provider

- Council to Provide Connection. *Note: The fee is to be paid in full prior to Council commencing the works*
- Developer to Install Connection. *Note: Council must be contacted to inspect the works prior to completion*

2. Are there existing storm water connections?

- Yes
- No
- Unsure

If Yes, what is the reason for a second connection point?.....
.....

Note: Only one storm water service per property is allowed unless exceptional circumstances exist.

SECTION 2 – CONNECTION TYPE

1. Preferred Connection Location

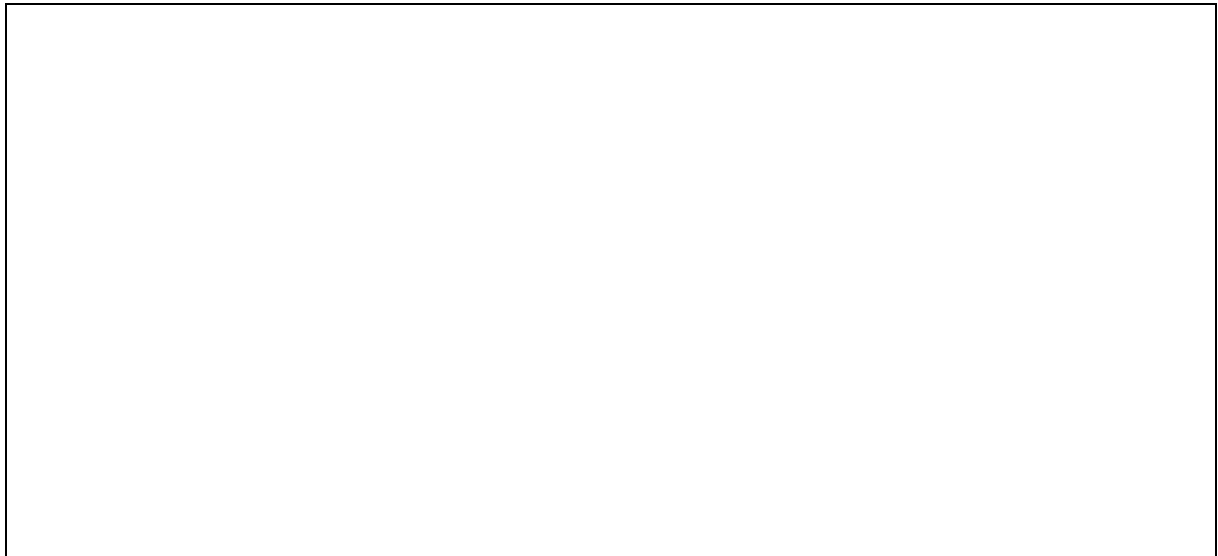

- To Underground Main
- To Stormwater Pit/Gully
- To Open Drain/Channel
- Unsure

2. Preferred Connection Size

- 150mm
- 100mm

3. Provide a dimensioned plan of the preferred location for your connection point

(Please, at a minimum, also show the boundaries for the property, a north point and the nearest public road.)

Note: Council may need to change or amend the location based on ground conditions and other limiting factors

4. Definitions;

Standard Connection

Where the connection location is within 6m of the property boundary, less than 1.0m deep from surface level and is located in nature strips or undeveloped road reservations.

Non Standard Connections

Any occasion outside the above and/or where the connection is required to be made over, under or across a road, driveway, hardstand, footpath or where private property is to be impacted.

SECTION 3 – GENERAL NOTES/CONDITIONS

- 1) Construction works approved under this application are to be to minimum standard in accordance with Councils relative standard drawings for the works and are to be to the satisfaction of Council.
- 2) The consent given by this application must be acted on within one (1) month from the date of issue. A further application is required if no works are commenced within the period specified or additional works beyond the scope of this application are intended.
- 3) The applicant is responsible for obtaining all required approvals from other relevant authorities, including any environmental permit or clearances that may be required under applicable legislation, as well as any Council policies that have relevance.
- 4) On completion of the works the site must be returned to its original condition to the satisfaction of Council.
- 5) All costs associated with and any claims from the public arising from any failure of the works, failure of associated infrastructure due to the works or tracking of debris over public roads, will be the responsibility of the applicant.
- 6) The applicant is to be responsible for the locating of all services prior to any works within the road reservation and is to be responsible for any costs, claims, proceedings and demands, should any service be damaged as a result of this work.
- 7) The applicant will notify the Council when all works have been completed by returning the As Constructed Drawing of Work form (not applicable where Council performs the works) supplied by Council with the approved application.
- 8) The applicant will indemnify and keep indemnified the Huon Valley Council, its servants and agents and each of them from and against all actions, costs, proceedings, charges, expenses, penalties, demands and damages whatsoever which may be brought or made or claimed by whomsoever against them, or any of them, arising out of, or in respect of the approved proposal and the works undertaken under this application.

PLEASE NOTE THAT NO WORKS ARE TO/WILL BE COMMENCED UNTIL THE NECESSARY COUNCIL APPROVAL HAS BEEN GIVEN, ALL OUTSTANDING FEES HAVE BEEN PAID AND AN APPROVAL LETTER IS ISSUED.
