Free Green Waste Disposal

In an effort to help homeowners in the Valley get their properties ready for winter, the Huon Valley Council is offering a free green waste disposal day on Saturday the 23rd of April between 10am and 4pm.

The Council's Waste Transfer Stations at Huonville, Geeveston, Cygnet and Dover will accept green waste for FREE as part of their Autumn Clean Up Open Day.

There's a limit of 5 metres cubed (5m³) per household and the offer is not available to commercial collection service operators.

The normal restrictions also apply – no declared weeds may be deposited. The green waste is mulched and Council do not want to spread seeds of declared weeds around the Valley.

So get cracking with the shears, the pruners, the secateurs, the rakes and the barrows and get as much of your green waste down to the transfer stations on Saturday, for no charge.
