INTRODUCTION

On 8 September 2015 the Minister for Planning and Local Government established a Board of Inquiry pursuant to the *Local Government Act 1993*. The Board of Inquiry undertook a process of investigation and on 15 June 2016 a report to the Minister for Planning and Local Government (The Minister) was released which included 55 Recommendations.

The Minister, pursuant to section 225 considered the Report and chose to make 7 Ministerial Directions dated 15 June 2016.

The Huon Valley Councillors were dismissed, effective 10 October 2016.

Council at its Ordinary Meeting of 14 December 2016 approved a process and template to be used for the finalisation of the Implementation of the Ministerial Directions and the review of the Board of Inquiry Recommendations.

Following the December 2016 Council meeting, each of the tables were populated with HVC comments or actions on the progress or completion to date. The, then, Acting General Manager has met with Deputy Director of Local Government on two occasions to then review and discuss the actions to date and seek the Local Government Division's endorsement of the updated tables.

The Local Government Division, on 14 June 2017, confirmed its overarching statement in relation to the comments provided in the table:

The Local Government Division is monitoring progress towards the implementation of the Ministerial Directions and Board of Inquiry recommendations which remain relevant after the dismissal of the councillors on 10 October 2016. The Division is satisfied that the Council is undertaking appropriate steps and will continue to liaise with senior management on items still to be actioned.

- Work has continued by the Council appointed Consultants GHD on the review of the Council's Community Engagement Framework. It is anticipated that a draft will be presented to Council at the March 2018 meeting to be endorsed for consultation.
- A review of the Council Asbestos Management Policy and Plan has been completed and approved by the General Manager.
- The draft Statement of Expectations for Councillors and the General Manager, as well as the Key Performance Indicators have been approved and will be included in the Council's Governance Framework.

A full review of the implementation tables has been undertaken with a number of comments updated. This update included a number of the actions previously marked as 'ongoing' now marked 'completed'. These actions were instances of where Council processes were reviewed, amended and monitored for a period of time to ensure they are sufficient and meet the requirements of the Council.
