

# 10 YEAR ASSET RENEWAL PROGRAM

2020/2021 - 2029/2030

Endorsed at 24 June 2020 Council Meeting  
Resolution No. 16.009/20\*

# 10 Year Asset Renewal Program

The Council ensures, through its Financial Management Strategy & Long Term Financial Plan that it is financially sustainable into the future.

A key aspect of this, is to confirm that assets are managed in accordance with best practice standards. The application of Council's Asset Management Strategy, Policy and Plans support this outcome.

The Council's renewal programs contained in this document demonstrates, at a working level, how the Council achieves this by programming Asset Renewal works based on condition assessments and providing financial resources in accordance with depreciation.

The following table demonstrates the 2020/2021 asset allocations:

Asset Area	Asset Class	Reference	Allocation
